

# The *Hottest* Tractor Mount in the Truss Industry!

# TM-1882

**American Truss & Mfg.**  
Serving the Oregon Coast

"The new Tadano TM-1882 is the best truck mounted crane you can buy. The controls and movement of the crane are nice and smooth. The out and down outriggers make it very stable. I feel safe and comfortable running it in tight places."

*Tom Bennett, Crane Operator, American Truss & Mfg.*

The Tadano TM-1882 is a very solid piece of equipment. With powerful and sturdy outriggers combined with smooth control response, it allows you complete control of your load and creates a comfortable and safe work environment."

*James Keith, Crane Operator, American Truss & Mfg.*
